

# THE SAINT MARY'S UNIVERSITY VISION, MISSION AND CORE VALUES LAY THE FOUNDATION FOR THE DIRECTION AND CULTURE OF THE UNIVERSITY.

## VISION:

Saint Mary's, building on its strong tradition of accessibility and community engagement, will be the University of choice for aspiring citizens of the world.

## MISSION:

The mission of Saint Mary's University is to offer undergraduate, graduate, and continuing education programs; to engage in research and disseminate its results; and to serve the community from the local to the international level.

## CORE VALUES:

In achieving its mission, the Saint Mary's community is guided by core values of academic integrity, the pursuit of knowledge, responsiveness to community needs, openness to change, concerns for a just and civil society, commitment to environmental sustainability, and fiscal responsibility.

The University is committed to accessibility, diversity and provision of a positive and supportive learning environment through the effective integration of teaching and research.

We recognize the importance of the contribution and growth of each individual in the University's success.

Through promoting the importance of critical enquiry, leadership, teamwork and global awareness, we aim to prepare students for responsible and rewarding lives and to remain engaged with our Alumni worldwide.

Saint Mary's welcomes mutually beneficial partnerships and strategic alliances with all levels of government, with other educational institutions, non-government institutions and the private sector.

**One University. One World. Yours.**
